

# Garment Glossary

## *Directions:*

For this *Activity*, you will compile a glossary of unfamiliar terms covered in each segment to use as reference throughout the presentation.

1. As you complete each segment, create a glossary of unfamiliar terms to use for later reference. Write down the unfamiliar terms according to the chart provided on pages 2 and 3.
2. Highlight keywords for each term's definition which will help you remember the terms.
3. Delineate components of a softline to include in your glossary.
