Organizational Administrators

Logging In

The pre- and post-testing features are managed through the Organizational Administrator (Org Admin) account. If a login for this account does not exist, please contact customersupport@icevonline.com.

After logging into the Org Admin account, two new options on the dashboard appear:

1. Manage Pre/Post Testing
2. View Pre/Post Test Reports

The screenshot shows the ICEV dashboard interface. At the top left is the ICEV logo. At the top right, there are links for 'In Office Pre/Post Testing | My Profile | Log Out' and buttons for 'LIVE CHAT HELP' and 'SCHEDULE ONLINE TRAINING'. Below the header is a blue banner that says 'Welcome, In Office Pre/Post'. The main content area is divided into three columns: Administration, Reports, and Support. In the Administration column, 'Manage Pre/Post Testing' is highlighted with a green box and a green arrow points to it from the left. In the Reports column, 'View Pre/Post Test Reports' is highlighted with a green box and a green arrow points to it from the 'Manage Pre/Post Testing' box. Below these columns is a 'License Summary' table.

License Name	Licenses	Used	Available
Student Licenses for Entire Organization	100	10	90
Teacher licenses for Agricultural Science	25	1	24
Teacher licenses for Architecture, Construction, Transportation & Manufacturing	25	1	24
Teacher licenses for Business, Marketing, Finance, IT and Media	25	1	24
Teacher licenses for Career Exploration	25	1	24
Teacher licenses for Cosmetology & Barbering	25	1	24
Teacher licenses for Family and Consumer Sciences	25	1	24

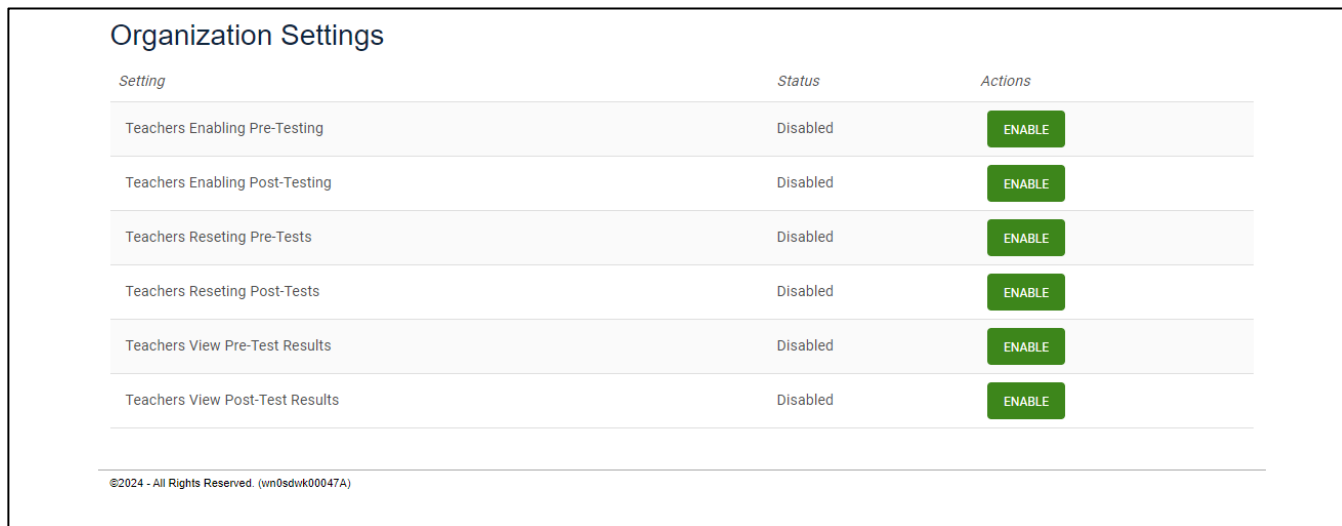

Managing Pre/Post Testing

1. From the Org Admin Dashboard find: “Manage Pre/Post Testing”
2. Click “Manage Pre/Post Testing”

The screenshot shows the iCEV In Office Pre/Post Testing dashboard. At the top right, there are links for "In Office Pre/Post Testing | My Profile | Log Out" and buttons for "LIVE CHAT HELP" and "SCHEDULE ONLINE TRAINING". A blue banner reads "Welcome, In Office Pre/Post". Below this, there are three main sections: Administration, Reports, and Support. The Administration section includes: Manage Org Admins, Manage Teachers, Manage Students, Manage Proctors, Manage Co-Teachers, Manage Pre/Post Testing (highlighted with a green box and a green arrow), and My Profile. The Reports section includes: View Logins per Teacher/Student, View Student Certification Progress, View Student Certifications Summary, View Course Reports, View Pre/Post Test Reports, and Student Certification Dashboard. The Support section includes: Support and Frequently Asked Questions.

3. In the Organization Settings, the Org Admin can select options to allow the teacher to conduct pre-testing, post-testing, reset pre-/post-test, and/or view the pre-/post-test results, or the Org Admin can implement these tasks directly. Enabling these options grants the teacher the corresponding permissions. As each option is enabled, additional permissions are granted to the teacher.

The "Teachers Enabling Pre-Testing" Setting

When enabled, teachers will have the ability to activate pre-testing for their students in their courses.

This is what the teacher sees:

The screenshot shows the iCEV interface for a teacher. At the top right, it says "CEV TIA Teacher 03 | My Profile | Tutorials | Log Out" and has buttons for "LIVE CHAT HELP" and "SCHEDULE ONLINE TRAINING". The main heading is "Manage Pre / Post Testing" with a sub-heading "Pre / Post Testing for course Advanced Plant & Soil Science (Proc17)". Below this is a breadcrumb "My Courses / Advanced Plant & Soil Science (Proc17) / Manage Pre/Post Testing". The "Options" section contains a table:

Option	Status	Actions
Pre-Testing	Enabled on 2024-08-12 19:55:06	
Post-Testing	Disabled	Prohibited by organization

The "Student Status" section has a "REFRESH" button and search filters for "First Name", "Last Name", and "Pre Test Status". The table below has columns for "Pre Test Score" and "Pre Test Actions".

The "Teachers Enabling Post-Testing" Setting

When enabled, teachers will be able to activate post-testing for their students in their courses.

This is what the teacher sees:

Proctoring Pre-/Post Test (Org Admin)

If an Org Admin prefers to proctor the students directly, this can be done using this section of the interface.

1. Locate the teacher.
2. Verify the course name.

**NOTE: The pre- and post-test functionality is associated with specific course names within the iCEV platform. For this functionality to be utilized, these specific courses must be added to the teacher's MyCourses page, and students must be enrolled in them. Viewing Pre-/Post-Test Reports

1. From the Org Admin Dashboard find: “View Pre/Post Test Reports”
2. Click “View Pre/Post Test Reports”

The screenshot shows the iCEV dashboard interface. At the top right, there are links for "In Office Pre/Post Testing | My Profile | Log Out" and buttons for "LIVE CHAT HELP" and "SCHEDULE ONLINE TRAINING". A blue banner reads "Welcome, In Office Pre/Post". Below this is a navigation menu with three columns: Administration, Reports, and Support. The "View Pre/Post Test Reports" link in the Reports column is highlighted with a green box and a green arrow pointing to it from the left.

Pre/Post Test Reports Dashboard

The screenshot shows the "Pre/Post Test Reports" dashboard. It features the iCEV logo at the top left and a blue header with the title "Pre/Post Test Reports". Below the header, there are three dropdown menus: "Teachers: All Teachers", "Courses: Agricultural Mech", and "Report: Educational Standard Scores". A green "VIEW REPORT" button is located at the bottom left of the dashboard area.

**NOTE: All reports can be downloaded as a .csv file after clicking the [Download Report] button.*

The “Teachers” Dropdown Menu:

- Selecting “All Teachers” shows all courses linked to every teacher in your organization.
- Selecting a specific teacher shows only the courses linked to that teacher.

The “Courses” Dropdown Menu:

- Selecting “All Teachers” shows all courses for all teachers are displayed.
- Selecting a specific teacher shows only the courses linked to that teacher.

The “Report” Dropdown Menu:

- Selecting “Educational Standard Scores” displays the overall course performance.
- Selecting “Student Scores” displays the individual student’s performance.

The [View Report] Button:

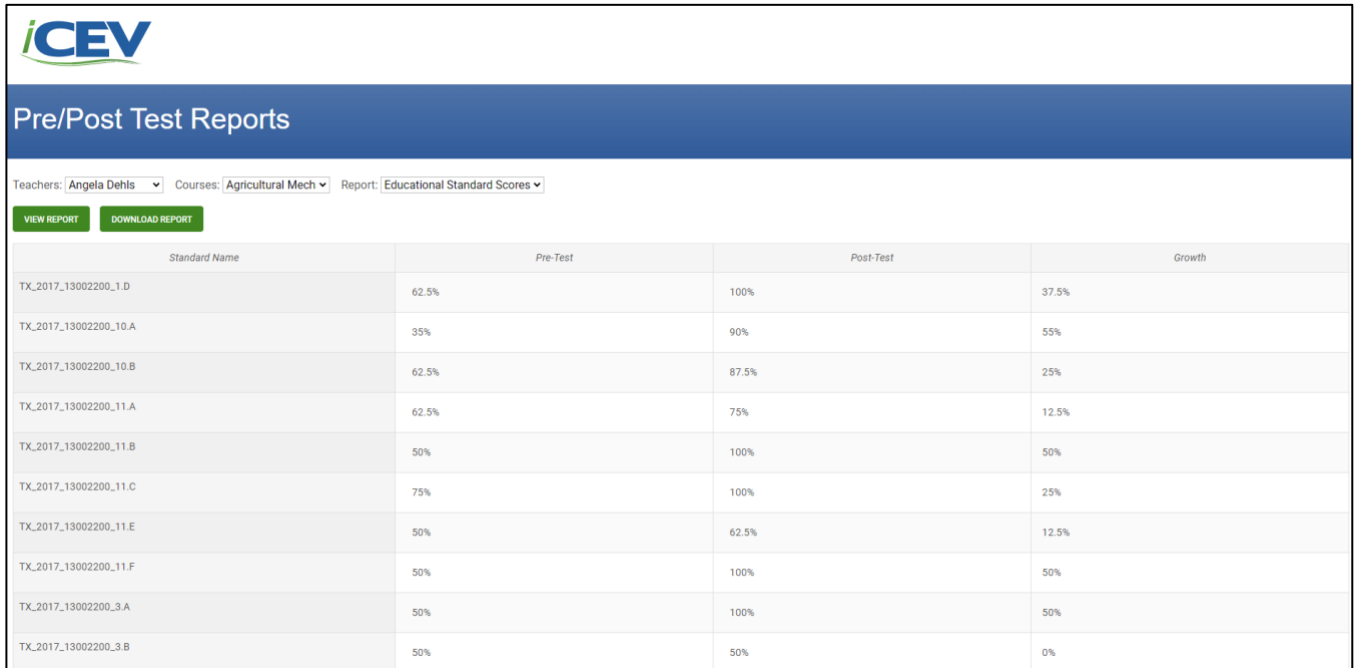

- Displays the report results based on the selected dropdown menu options.

**NOTE: If “All Teachers” is selected, the course shown in the “Courses” dropdown menu will be the one displayed after clicking [View Report].*

Educational Standard Scores Report

This report displays the overall Educational Standard Scores (i.e., TEKS) performance, and can be filtered in several ways.

The screenshot below is filtered by specific teacher and course, displaying pre-test, post-test, and growth performance by Educational Standard for that course. This data will automatically update as more students complete testing.

Teachers

Managing Pre/Post Testing

After being enabled by the Org Admin, teachers can manage pre- and post-testing by clicking "Manage Pre / Post Testing" under the Course Assessment section on the course page.

**NOTE: The pre- and post-test functionality is associated with specific course names within the iCEV platform. For this functionality to be utilized, these specific courses must be added to the teacher's MyCourses page, and students must be enrolled in them. [Click here](#) for course names and exam blueprints.*

The screenshot displays the iCEV platform interface for the course "Agricultural Mechanics & Metal Technologies (Proc17)". At the top, the user is identified as "Angela Dehls" with links for "My Profile", "Tutorials", and "Log Out". There are buttons for "LIVE CHAT HELP" and "SCHEDULE ONLINE TRAINING". The course title is prominently displayed with an "EDIT TITLE" button. Below the title, there are several action buttons: "CUSTOMIZE THIS COURSE", "TEKS ALIGNMENT", "SPECIAL POPULATION STRATEGIES", and "SOCIAL-EMOTIONAL LEARNING TOOLKIT". The "Lessons" section lists several topics, each with a "VIEW" button. The "Students" section includes options for "Manage Roster", "Course Grades Report", and "Invite Students". The "Course Assessments" section is highlighted, showing "Create Assessment" and "Manage Pre / Post Testing" (which is circled in green and pointed to by a green arrow). The "Settings" section is also visible at the bottom.

**NOTE: Depending on Org Admin controls, some of the following options may be enabled, while others may be disabled. The following examples assume that all controls are enabled.*

1. From the Options Dashboard, enable the pre-testing option for students.

The screenshot shows the 'Manage Pre / Post Testing' interface. At the top, the iCEV logo is on the left, and the user's name 'CEV TIA Teacher 04' with links for 'My Profile', 'Tutorials', and 'Log Out' is on the right. Below the header, there are buttons for 'LIVE CHAT HELP' and 'SCHEDULE ONLINE TRAINING'. The main title is 'Manage Pre / Post Testing' with a subtitle 'Pre / Post Testing for course Advanced Animal Science (Proc17) [CEV TIA Teacher 04]'. A breadcrumb trail reads 'My Courses / Advanced Animal Science (Proc17) [CEV TIA Teacher 04] / Manage Pre/Post Testing'. Under the 'Options' heading, a table lists two options: 'Pre-Testing' and 'Post-Testing', both with a status of 'Disabled'. A green arrow points from the 'Pre-Testing' row to a green 'ENABLE' button in the 'Actions' column, which is also circled in green.

Option	Status	Actions
Pre-Testing	Disabled	ENABLE
Post-Testing	Disabled	ENABLE

2. Confirm enablement of pre-testing.

**NOTE: Once enabled, this option cannot be turned off.*

This screenshot shows the same 'Manage Pre / Post Testing' interface as the first screenshot. The 'Options' table is the same, but a confirmation dialog box is overlaid on the 'Pre-Testing' row. The dialog box contains the text 'Are you sure you want to enable pre testing?' and two buttons: 'CANCEL' and 'ENABLE'. A green arrow points from the 'Pre-Testing' row to the 'ENABLE' button in the dialog box, which is circled in green.

Option	Status	Actions
Pre-Testing	Disabled	Are you sure you want to enable pre testing? CANCEL ENABLE
Post-Testing	Disabled	ENABLE

- Find the relevant students and click the [Approve] button on the right-hand side of the screen.

Learning Management System (LMS) & Single Sign-On (SSO) Integration

The pre/post testing feature is incompatible with Learning Management System (LMS) or Single Sign-On (SSO) integrations. Both pre- and post-testing must be conducted directly through the iCEV platform.

Learning Management System (LMS) Integration

For LMS platforms (i.e., Blackboard, Canvas, Google Classroom, Moodle, or Schoology), iCEV student logins must be created. For assistance with adding the necessary logins, contact customersupport@icevonline.com.

1. After student logins are added, the teacher should log in to the iCEV account and add the relevant pre-/post-test course to the MyCourses page. For a tutorial on adding a course to the MyCourses page, [click here](#).

**NOTE: The pre- and post-test functionality is linked to specific course names within the iCEV platform. To utilize this feature, these specific courses must be added to the teacher's MyCourses page, and students must be enrolled in them. [Click here](#) for the course names and exam blueprints.*

2. Next, enroll the students. [Click here](#) for instructions on proper student enrollment.
3. Once enrolled, students can log in to iCEV accounts to complete the pre-/post-tests, following the directions outlined in the Organizational Administrators or Teachers sections of this How-To document.
